NON-PRECEDENTIAL DECISION

On September 19, 2011, the State Water Resources Control Board (State Water Board) adopted Order WQ 2011-0013 in response to petitions filed by the Sacramento Regional County Sanitation District (District) and the California Sportfishing Protection Alliance. The Petition requests that the State Water Board review waste discharge requirements in Order No. R5-2010-0114 issued by the Central Valley Regional Water Quality Control Board to the District for its Sacramento Regional Wastewater Treatment Plant.

In Order WQ 2011-0013, the State Water Board decided to review the waste discharge requirements on its own motion. This Order is non-precedential.
